

OHIO VALLEY

Community Federal Credit Union

You may have received an email or a letter recently asking for proof of insurance for a vehicle you currently have a loan for. As part of your loan agreement, it's necessary for us to have proof of insurance coverage on file. To help us keep your loan protected we need you to provide a copy of your vehicle insurance so we can update your records. We can't accept ID cards as they do not contain all of the required information we need. There are many different options for how you can send your insurance verification.

Please choose which one is best for you.
